

Now's the time to book advertising space in our 2012 July annual conference program!

In 2012 the HTAV will be hosting not one, but **three major conferences** that will attract many teachers, educators, academics and decision-makers. These events are:

HTAV Annual Conference – 26–27 July 2012

HTAV Primary Conference – 20 August 2012

HTAV Middle Years Conference – 26 October 2012

These three events provide an excellent opportunity for organisations to promote their publications, resources and services directly to teachers of History and Humanities subjects.

Each conference will have a glossy program booklet mailed to schools across Australia. The HTAV is offering a limited number of organisations the opportunity to sponsor these program booklets by purchasing advertising space. As well as a colour advertisement, sponsors will have their logo included in the conference programs.
