

Now's the time to book advertising space in our 2010 Middle Years (History) Conference program!

In 2010 the HTAV will be hosting not one, but **three major conferences** that will attract many teachers and educators. These events are:

HTAV Annual Conference – Future Directions
22–23 July 2010 *Advertising space closed!*

HTAV Primary Conference – 3 September 2010 *Advertising space closed!*

HTAV Middle Years Conference –
22 October 2010

These three events provide an excellent opportunity for organisations to promote their publications and services directly to teachers of History and Humanities subjects.

The HTAV Middle Years (History) Conference program will be mailed to schools across Victoria. The HTAV is offering a limited number of organisations the opportunity to sponsor the program booklet by purchasing advertising space in the HTAV Middle Years (History) Conference program.
