Call for Presenters

The HTAV invites teachers, cultural organisations, community groups and publishers to participate as workshop presenters at our 2010 Annual Conference.

This year's programme will include streams focussed on a range of topics including VCE Unit 4 History, Australian Aboriginal, Asian, European, American, Ancient and Medieval histories, as well as sessions to assist you to prepare for the National History Curriculum. In addition we would consider favourably workshops that address issues such as thinking skills, boys' education, girls' education, assessment and pedagogy or the use of ICT in the Humanities classroom.

All presenters will be entitled to free registration on the day of their workshop.

If you are interested, please visit www.htav.asn.au to complete an online workshop proposal form, email the Manager, Events and Programs, Meri Rametta at m.rametta@htav.asn.au, or complete the form on the reverse of this page and return it to the HTAV. Proposals are due by **Friday 26 March 2010**.

You will be notified of the acceptance and timing of your workshop in early April, with the conference program to be distributed in early May. Late applications to present workshops cannot be guaranteed inclusion in the conference programme.

Should you wish to discuss your proposed workshop or details about the 2010 Annual Conference, please do not hesitate to contact Meri Rametta on 03 9417 3422 or email m.rametta@htav.asn.au.
