WHY JOIN HTAV?

'A membership with HTAV is a must for any History teacher... Whether you are new to teaching History or even new to the profession, HTAV offers opportunities to network with and be mentored by experienced teachers as well as opportunities to share teaching strategies and resources. An individual membership offers a range of benefits for teachers and it's something that I have found essential to the development of my teaching practice.'

Alexis Watson, Norwood Secondary College

*'I have taught History for the last thirteen years and have been involved with HTAV since I was a pre-service teacher, either through my own membership or that of my school. Through HTAV, I gain access to resources, professional learning, events, conferences and the *Agora* journals, and increase my network of History teachers. No school should be without a membership and the benefits it provides.'*

Nicole Scott, Alkira Secondary College
