

## HTAV Peer Mentoring Program

# Participate as a Mentee

HTAV strives to improve the quality of History teaching and support its members to flourish through professional learning, networking and peer mentoring. With this in mind, the **HTAV Peer Mentoring Program** aims to bring together History teachers at all levels in their professional careers to create a community of support and expertise.

### What is the Peer Mentoring Program?

The program enables History teachers to meet, talk and share experiences in a casual setting. Mentors offer 6–8 hours of support throughout the year at times that suit you both. Mentoring can be a coffee meeting, Zoom, drinks after a conference, email or phone call. You may prefer to use the 6–8 hours of support during a critical time or spread throughout the year, if your mentor is available. Alternatively, you can spread the communications throughout the year. Assistance beyond the 6–8 hours is not expected but can be negotiated between the mentor and mentee.

Applications for the program will be accepted during Term 1 with mentors paired with their mentees in Term 2, or when an appropriate mentor is available. Throughout the year, HTAV will seek feedback on your experience. Mentees will receive a certificate to use as evidence for Australian Professional Standards for Teachers, Standards

6.2: Engage in Professional Learning and 6.3: Engage with colleagues and improve practice.

**‘The program has exceeded all of my expectations and I know I’m a better educator for it.’**

### Why is this program for you?

We all seek advice from others in some capacity – a quick question in the staffroom, a chat at a conference or tossing a question to a social media group. But perhaps you are a History teacher looking for some guidance in your professional life in a more formal capacity? Joining the program as a mentee will allow you to gain valuable insight into your History teaching practice, form professional networks and develop your skills. You will also receive professional support and feedback to help further your career as a teacher.

## Guidelines

Mentors can provide encouragement and support. Mentees can seek general advice on developing appropriate assessment tasks, delivering course content, planning their year and helping students prepare for assessment tasks.

6–8 hours

Throughout the year or at a key time

Zoom, coffee, email or call

Here are some examples of questions you may have for your mentor:

*Can you please check my SAC? I’m not sure if it meets requirements.*

*How can I differentiate my content delivery for students looking to stretch their capacities or who are struggling?*

*What are the best sources to improve my own content knowledge?*

*How can I help my students prepare for SACS and exams?*

*I feel overwhelmed by work demands. What advice can you give me?*

Mentors are not expected to:

- take responsibility for your class
- be available on call
- observe your teaching
- create SACS for you
- know your school VCE policy
- cross mark SACS (unless they offer and a formal arrangement is established)
- share lesson plans and classroom resources unless they choose to do so to illustrate a particular approach or skill.
